

Cyprus Rentals is a Cyprus based long term and holiday rental website offering world wide internet advertising of your property

About us

We are currently launching a new web site Cyprus Rentals, and loading our data base initially with properties in the Paphos district, and will be expanding and seeking agents in the other areas of Cyprus

Full web service, we offer a full service of entering your property details and photographs and managing your bookings

Alternatively you can enter and maintain your property details on line yourself

Our local agents can offer a wide range of services :-

| | | |
|---------------------|------------------|---------------------|
| Airport collections | Welcome packs | House cleaning |
| Car hire | Laundry services | General information |
| Inventory Checks | | |
